

# **Student Testimonials - B.Pharm**

## **"Supportive Faculty and Practical Learning"**

"The faculty members here are incredibly supportive and knowledgeable. Their guidance during lab sessions and projects has helped me build a strong foundation in pharmaceutical sciences. The emphasis on hands-on learning and workshops has made all the difference."

- *Second Year B.Pharm Student*

## **"Well-Equipped Campus and Career Opportunities"**

"The college provides a great environment with modern laboratories, digital classrooms, and ample learning resources. I've also had opportunities to attend industry visits and webinars which broadened my perspective. It's a perfect place for a budding pharmacist!"

- *Final Year B.Pharm Student*

## **"Growth Beyond the Classroom"**

"What I love the most about the college is its focus on co-curricular activities along with academics. From seminars to health awareness camps, every event taught me valuable life and professional skills. It's been a well-rounded experience."

- *Third Year B.Pharm Student*

## **"Placement Support Made All the Difference"**

"As a graduating student, I am grateful for the placement cell's efforts. Their mock interviews, resume-building sessions, and training programs helped me get placed in a reputed pharmaceutical company. The college truly prepares you for the real world."

- *Graduating B.Pharm Student*

## **"A Journey of Academic Excellence"**

"The past four years have been academically enriching. The teaching methodology, case-based discussions, and continuous assessment made me confident in my pharmaceutical knowledge. I'm
