

Placement Cell - B. Pharmacy

Placement Cell - B. Pharmacy

Training and Placement Cell Overview

The Training and Placement Cell of the B. Pharmacy department is dedicated to equipping students with the necessary skills and guidance for securing employment in reputed pharmaceutical companies and research organizations. The cell facilitates industry interaction, organizes campus recruitment drives, and supports students through training programs, mock interviews, and internships.

Placement Statistics

During the latest placement season, a total of 120 final-year B. Pharmacy students participated in the placement process. The Training and Placement Cell successfully coordinated with leading pharmaceutical companies and recruiters to provide ample placement opportunities. As a result, 92 students were successfully placed in various organizations through on-campus and off-campus drives.
